ABOUT US

Adikopas is a family business – youthful, ambitious, and always operating with a bit more heart than your average company.

We launched with the founder's 20 years of prior textile manufacturing experience and have been continuously growing since then.

We take pride in delivering work on time and ensuring our customers are wholly satisfied with the quality.

We are flexible and adept at overcoming any obstacles that may occur along the way. It's with great pride that we promote Lithuanian textile production on a global scale.
